Tradesman® Pro 3D Construction Belted Full Body Harness, Tongue Buckle Leg Adjustments

#### CONTACT SALES

The Tradesman Pro is built for pros who demand more than the basics. With tri-layer padding for lasting comfort, a slip-resistant D-ring plate, and an easy-connect dorsal tunnel, it's a harness that works as hard as you do—keeping you secure, supported, and ready for anything.

#### Features :

- Features all black plated alloy steel hardware for refined, low profile look
- V-slot locking D-ring plate minimizes slippage for maximum comfort and minimal adjustment throughout the day
- Dorsal attachment tunnel allows for fast, hassle-free connection of single or twin SRL-Ps and keeps them optimally positioned on the back reducing fatigue
- Features integral tri-layer padded shoulder yoke to provide breathable user comfort
- Heavy duty waist pads provides support without folding for improved comfort
- Plated alloy steel low-profile spring tension roller torso adjusters provide simple upper-body adjustment
- Quick-connect buckle features visual indicators showing positive connection
- Tongue buckle legs provide quick and simple lower-body adjustment
- Includes suspension trauma relief straps
- Complies with ANSI Z359.11-2021
